

Professional Development Access Guide

Congratulations on your new AE Touch Interactive Flat Panel! We're excited to be able to serve you in any capacity we can with your new tool. Each purchase of our interactive panels include a free access code to our new whiteboarding software: OKTOPUS.

Plus, you can use that same code to access 4.5 hours of self-paced training on the new software!

Follow these steps to access the course online!

1. Visit pd.boxlight.com and select “SIGN IN”

2. If this is your first time signing in, then create a new free account.

4. Select “COURSE SELECTION” and then choose the “OKTOPUS” link.

The screenshot shows a web browser window with the URL <https://pd.boxlight.com/collections>. The page header includes the EOS Education and Boxlight logos, a 'COURSE SELECTION' button, and a user profile icon labeled 'AE O'. The main heading is 'Courses'. Below the heading are navigation tabs: 'All Courses', 'Bundles', 'Certifications', 'CPD Certified', 'Mimio', and 'OKTOPUS'. A search bar is located below the tabs. The page displays several course cards:

- Course 1:** 'E2 - MimioStudio™ Educator + Expert Certification Online' (All Courses), 84 Lessons, \$400.00. The image shows a teacher in a classroom.
- Course 2:** 'Mimio Connected Classroom' (All Courses, Bundles), Free. The image shows a Mimio board displaying a colorful diagram with labels like 'Share Ideas' and 'Ask Questions'. A badge indicates '6 Courses'.
- Course 3:** 'Samsung Interactive Classroom' (All Courses, Bundles).
- Course 4:** 'MimioConnect Access Information' (All Courses).

Two large blue arrows are overlaid on the page: one pointing to the 'COURSE SELECTION' button and another pointing to the 'OKTOPUS' navigation tab.

5. Select “OKTOPUS Educator Certification” and when prompted to, select “Buy”

Where can I find my code?

Your activation code has been printed & labeled on the built-in PC for your inactive flat panel.

You can also find it by opening the OKTOPUS software and selecting “New Product Key” on the Settings Menu.
